

## CHARGES AGAINST BIG DISTILLERY

Savage Distilling Company Ac-  
cused of Violating the State  
Liquor Laws.

### RAID ALLEGED BLIND TIGERS

Winchester Police Find What  
They Declare Is Beer in Soft  
Drink Places.

[Special to The Times-Dispatch.]  
WINCHESTER, Va., October 4.—  
Charges against the Savage Distilling  
Company, of Kernstown, this county,  
of which Joseph H. Savage is president  
and general manager, of violating  
State liquor laws, are being investi-  
gated by the grand jury of the Cir-  
cuit Court, which was convened to-  
day by Judge T. W. Harrison.

The charges were worked up and  
laid before Commonwealth's Attorney  
Herbert S. Larrick by agents of the  
Anti-Saloon League. About seventy-  
five witnesses were summoned before  
the grand jury, and when the jury  
adjourned this evening upwards of forty  
had testified. Another session will  
be held to-morrow.

The Kernstown distillery is one of  
the largest in Virginia, and was es-  
tablished many years ago by L. E.  
Savage, father of Joseph H. Savage.  
Some of the leading farmers of Pre-  
dict county and business men of Win-  
chester have been summoned to tes-  
tify before the grand jury.

While the grand jury was investi-  
gating the Savage charges, the  
Chief of Police Seabright and Officers  
Masse and Taylor made a raid on a  
soft drink establishment, conducted by  
Clementine Bahlman, in a large build-  
ing owned by Jos. H. Savage, on Main  
Street, and seized ten barrels of bot-  
tled goods, which the police declare  
is beer. About the same time, police-  
men made a similar attack on Harry  
Chirmore's soft drink establishment in  
the heart of the business section, and  
got a barrel of bottled goods, which  
they also declare to be beer. An at-  
tempt was made to start a fight in the  
Savage building, when the police  
swamped down unexpectedly, but offi-  
cers got the better of the situation and  
hauled the confiscated goods to head-  
quarters.

A. C. L. sued for \$10,000.

SUFFOLK, Va., October 4.—For the  
killing of Lydia Elizabeth Stevenson,  
a three-year-old negro, by a passenger  
train, the Atlantic Coast Line Railroad  
to-day was sued in Nansemond Circuit  
Court for \$10,000.

[Special to The Times-Dispatch.]  
WINCHESTER, Va., October 4.—  
William R. Kent, Republican candidate  
for Governor, and John Paul, young  
lawyer of Harrisonburg, addressed a  
large meeting to-night in courthouse  
hall in the interest of the Republican  
campaign. A number of women at-  
tended the meeting and a band concert  
was given.

## HARRY TUCKER STARS AUDIENCE

Makes Logical Presentation of  
Issues of Campaign in  
Rocky Mount.

[Special to The Times-Dispatch.]  
ROCKY MOUNT, Va., October 4.—  
Hon. Harry S. George Tucker ad-  
dressed a large and enthusiastic crowd  
of voters here to-day. He was intro-  
duced by Congressman Saunders, who  
alluded briefly to the charges made  
by the Republicans of mismanagement  
of the State's affairs, which he char-  
acterized as a series of blunders.  
Mr. Tucker was greeted with long  
continued applause when he appeared  
before the audience. In opening he  
said that he had made his fight for  
the nomination for Governor in the  
open, and that his standard fell on  
the breastworks of his successful op-  
ponent; that he bowed to the will of  
his party, as expressed in the late pri-  
mary, and now came to do battle for  
his party and against a common en-  
emy. He appealed to all Democrats to  
lend their energies toward the success  
of the Democratic ticket. His presen-  
tation of the issues was one of the  
most logical heard here in years.

## Remedies are Needed

Were we perfect, which we are not, medicines would  
not often be needed. But since our systems have be-  
come weakened, impaired and broken down through  
indiscretions which have gone on from the early ages,  
through countless generations, remedies are needed to  
aid Nature in correcting our inherited and otherwise  
acquired weaknesses. To reach the seat of stomach  
weakness and consequent digestive troubles, there is  
nothing so good as Dr. Pierce's Golden Medical Discovery,  
a glyceric compound extracted from native medicinal  
roots—sold for over forty years with great satisfaction to all users. For  
Weak Stomach, Biliousness, Liver Complaint, Pain in the Stomach after eating,  
Heartburn, Bad Breath, Belching of food, Chronic Diarrhea and other Intestinal  
Derangements, the "Discovery" is a time-proven and most efficient remedy.

The genuine has on its  
outside wrapper the

You can't afford to accept a secret nostrum as a substitute for this non-alco-  
holic, medicine of known composition, not even though the urgent dealer may  
thereby make a little bigger profit.  
Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and  
bowels. Sugar-coated, tiny granules, easy to take as candy.

## CONGRESSMAN GLASS WANTED JOINT DEBATE

Captain McCaull, However, Suggests That It  
Take Place at Some Other Time, and  
Charlottesville Is Disappointed.

[Special to The Times-Dispatch.]  
CHARLOTTESVILLE, Va., October  
4.—The political campaign opened in  
earnest here this afternoon, Congress-  
man Carter Glass addressing a rep-  
resentative audience in the courthouse,  
while at the same hour Captain Pat-  
rick H. McCaull, assistant postmaster  
of Lynchburg, spoke to the Republi-  
cans from a stand in the courthouse  
square. At the conclusion of the  
Democratic meeting, it was reported  
to Mr. Glass by several that Captain  
McCaull had stated to the crowd on  
the court green that the Sixth District  
Congressman was afraid to meet him  
in debate, and that "Tom Martin is too  
wise a politician to permit a dis-  
cussion." Not caring to interrupt the  
Republican speaking, Mr. Glass pa-  
tiently waited until Captain McCaull  
had finished, when he stepped forward  
and quietly asked the Republican  
speaker not to leave, but to stay and  
hear a statement which he desired to  
make. Mr. Glass then recited what  
had been told him and asked Captain  
McCaull if the latter had made any  
such declaration. "Not exactly that,"  
responded McCaull. "Well, if any-  
thing like that has been stated it is  
not true," said Glass.

At this point the crowd applauded,  
and Mr. Glass, calm and entirely self-  
possessed, continued: "There is no  
occasion for any excitement. I merely  
desired to say that I once met Cap-  
tain McCaull in joint debate at Halifax  
Court House. He, of course, is at li-  
berty to have his own opinion of the  
outcome."  
"He will not deny, however, that one  
week thereafter I invited him to de-  
bate with me at Franklin Courthouse  
and he declined. I have not encoun-

## EVERYTHING GOES DEMOCRATS' WAY

Delighted in Spotsylvania With  
Outcome of Yesterday's  
Political Events

[Special to The Times-Dispatch.]  
SPOTSVYLVANIA, Va., October 4.—The Democrats had every-  
thing their own way to-day, and are  
delighted with the outcome of to-day's  
political events. Congressman William  
A. Jones addressed a large crowd, while  
Judge L. L. Lewis and Captain Frank  
P. Brent, who had been expected to  
speak for the Republicans, failed to  
put in an appearance.  
Mr. Jones was introduced by Hon. C.  
O'Connor, Gov. of Fredericksburg,  
who was recently defeated for renom-  
ination for the House of Delegates. Mr.  
Gov. O'Connor aroused great enthusiasm  
by saying that any report to the effect that  
he was dissatisfied, or did not intend  
to give the party ticket his hearty  
support, was untrue; that he was a  
Democrat and expected to remain one,  
and that he was working earnestly  
for the election of his successful op-  
ponent, Mr. Coleman.

Congressman Jones spoke about two  
hours, ably discussing the issues of  
the campaign. He showed the weak-  
ness of the Republican position, and  
took the ground that the very fact  
that they could find so few alleged  
weak points at which to attack the  
administration constituted an endow-  
ment of the success of the Democratic  
rule. He held his audience closely, and  
the spirit exhibited was gratifying to  
the party leaders.

### JOINT DEBATE AT GLOUCESTER.

Good Crowd Heard Messrs. Ramsey and  
Saunders.  
[Special to The Times-Dispatch.]  
GLOUCESTER COURTHOUSE, Va.,  
October 4.—A political meeting was  
held at Gloucester Courthouse to-day,  
it being farmers' day, with a joint dis-  
cussion between Mr. H. H. Ramsey,  
Republican, of Norfolk, and Colonel  
John R. Saunders, Democrat, of Mid-  
dlessex. They were followed by Mr.  
Stubbs, Republican candidate for the  
House of Delegates. There was a  
good attendance, and much interest  
was manifested in the speeches.

### NO JOINT DISCUSSION.

Both Parties Reneged in Isle of  
Wight, However.  
SUFFOLK, Va., October 4.—Though  
there was no joint discussion, both  
parties to-day opened their State cam-  
paigns at Isle of Wight Courthouse.  
The Democrats were represented by  
Judge Samuel Williams, nominee for  
Attorney-General, who was introduced  
by Colonel C. F. Day, Senator Thomas  
S. Martin, Jr., and Mr. H. H. Hughes  
and Arthur Morris, both Nor-  
folk attorneys, addressed the Republi-  
cans.

## FAMOUS BRITON CHIEF SPEAKER

Bryce to Be at Meeting of North  
Carolina Historical As-  
sociation.

### BUST OF GOVERNOR GRAHAM

Presentation to Be Made at Same  
Time—Requestion for  
Negro Murderer.

[Special to The Times-Dispatch.]  
RALEIGH, N. C., October 4.—That  
Hon. James Bryce, the distinguished  
ambassador from Great Britain to the  
United States, will be the chief speak-  
er for the annual meeting of the State  
Literary and Historical Association,  
November 4, is the gratifying an-  
nouncement made to-day by Clarence  
H. Poe, secretary-treasurer of the as-  
sociation.

He is to prepare a special address  
for the North Carolina Literary and  
Historical Association, and the meet-  
ing this year is sure to be, therefore,  
one of the chief happenings in the  
State in recent years.

Another notable feature of the an-  
nual session this year will be the com-  
pletion and presentation to the State  
of the marble bust of William A.  
Graham, just completed by the dis-  
tinguished sculptor, Bucknall, for the  
North Carolina Historical Commission.  
Capt. Thomas W. Mason and Frank  
Nash are to deliver addresses on the  
life and character of Governor Gra-  
ham.

Hon. Junius Davis, of Wilmington, is  
president of the Literary Association,  
and his address will involve some phase  
of North Carolina history to which  
much personal research is being de-  
voted.

A Blow to City of Durham.  
The North Carolina Corporation  
Commission has dealt out an-  
other grievous disappointment to the  
city authorities of Durham in that they finally overrule  
all extensions by counsel for the city  
to the former order of the commission  
that if, as petitioned for by the city  
authorities, there is to be an under-  
pass constructed at the Alston Street  
crossing of the Southern and Seaboard  
Air Line tracks, it must be of concrete,  
with steel girders, costing about  
\$25,000, and that the city must bear  
60 per cent. of the total cost. It was  
in 1905 that the Durham representa-  
tives procured from the Legislature a  
special act empowering the authorities  
of Durham to extend a number of  
streets, including Alston Avenue, and  
to cross the railroad tracks in doing  
so. Then the Alston Avenue contest  
was sprung, Durham insisting that the  
railroad companies should bear the ex-  
pense of the underpass, except the ex-  
cavations and the grading. It looks  
now like the contest will pass along  
from the Corporation Commission to  
the State courts, and possibly back to  
the next session of the Legislature for  
some supplementary act.

Requisition for Murderer.  
A requisition was issued to-day by  
Governor Kitchen to the Governor of  
New York for Est. King, alias Ed. Da-  
vis, who is wanted in this State to  
complete a forty-year sentence from  
New Hanover county in the peniten-  
tiary for second degree murder. Davis  
was sentenced in 1895, and escaped  
from the State Farm in 1901. He went  
to New York and was convicted in  
that State of murderous assault on  
some New Yorker and given an eight-  
year sentence. This term is about to  
expire, and the requisition from this  
State, just issued, is to await the com-  
pletion of the New York sentence,  
when he will be brought back to North  
Carolina to complete the New Hanover  
forty-year sentence.

Broke from Guardhouse.  
Dave Hardwick was arrested here and  
taken back to Smithfield to-day to  
answer the charge of assault with  
deadly weapon and subsequent well-  
nigh demolition of the Smithfield  
guardhouse, in which he was locked  
up. It was a small, cooled building,

## Physicians Recommend Castoria

CASTORIA has met with pronounced favor on the part of physicians, phar-  
maceutical societies and medical authorities. It is used by physicians with  
results most gratifying. The extended use of Castoria is unquestionably the  
result of three facts: First—The indisputable evidence that it is harmless;  
Second—That it not only allays stomach pains and quiets the nerves, but assim-  
lates the food; Third—It is an agreeable and perfect substitute for Castor Oil.  
It is absolutely safe. It does not contain any Opium, Morphine, or other narcotic  
and does not stupefy. It is unlike Soothing Syrups, Bateman's Drops, Godfrey's  
Cordial, etc. This is a good deal for a Medical Journal to say. Our duty, how-  
ever, is to expose danger and record the means of advancing health. The day  
for poisoning innocent children through greed or ignorance ought to end. To  
our knowledge, Castoria is a remedy which produces composure and health, by  
regulating the system—not by stupefying it—and our readers are entitled to  
the information.—Hall's Journal of Health.

## Letters from Prominent Physicians addressed to Chas. H. Fletcher.

Dr. B. Halstead Scott, of Chicago, Ill., says: "I have prescribed your  
Castoria often for infants during my practice, and find it very satisfactory."  
Dr. William Belmont, of Cleveland, Ohio, says: "Your Castoria stands  
first in its class. In my thirty years of practice I can say I never have  
found anything that so filled the place."  
Dr. J. H. Taft, of Brooklyn, N. Y., says: "I have used your Castoria and  
found it an excellent remedy in my household and private practice for  
many years. The formula is excellent."  
Dr. R. J. Hamlen, of Detroit, Mich., says: "I prescribe your Castoria  
extensively, as I have never found anything to equal it for children's  
troubles. I am aware that there are imitations in the field, but I always  
see that my patients get Fletcher's."  
Dr. Wm. J. McCrann, of Omaha, Neb., says: "As the father of thirteen  
children I certainly know something about your great medicine, and aside  
from my own family experience I have in my years of practice found Cas-  
toria a popular and efficient remedy in almost every home."  
Dr. J. R. Clausen, of Philadelphia, Pa., says: "The name that your Cas-  
toria has made for itself in the tens of thousands of homes blessed by the  
presence of children, scarcely needs to be supplemented by the endorse-  
ment of the medical profession, but I, for one, most heartily endorse it and  
believe it an excellent remedy."  
Dr. R. M. Ward, of Kansas City, Mo., says: "Physicians generally do not  
prescribe proprietary preparations, but in the case of Castoria my experi-  
ence, like that of many other physicians, has taught me to make an ex-  
ception. I prescribe your Castoria in my practice because I have found it  
to be a thoroughly reliable remedy for children's complaints. Any physi-  
cian who has raised a family, as I have, will join me in heartiest recom-  
mendation of Castoria."

TO LIQUIDATE INDEBTEDNESS.  
Fayetteville Street Railway to Be Put  
on Proper Basis.

[Special to The Times-Dispatch.]  
FAYETTEVILLE, N. C., October 4.—  
As collateral, \$75,000 has been raised  
on bonds of Fayetteville Street Railway  
Company, which was some months ago placed  
in hands of receiver by Judge Lyon, and  
as this amount is more than suffi-  
cient to liquidate all indebtedness, ap-  
plication will be at once made to  
Judge Lyon to restore the company to  
its proper basis, Receiver W. D. Mc-  
Neill having left here for this pur-  
pose this afternoon.  
Mr. McNeill will be reinstated to his  
position as president, and the road  
will be at once extended as far east  
as new Cape Fear River bridge.

## SYNDICATE WILL LEAVE LYNCHBURG

Leath-Wells Interests Will Not  
Renew Contract With Acad-  
emy of Music.

[Special to The Times-Dispatch.]  
LYNCHBURG, Va., October 4.—Cor-  
bin Shield, manager of the Lynchburg  
Academy of Music, and local repre-  
sentative of the Leath-Wells Interests  
here, after a conference in Roanoke  
yesterday with President Thomas  
Leath, this afternoon stated that the  
syndicate had decided to quit Lynch-  
burg at the close of its present lease,  
which will terminate with the end of  
the present theatrical season.  
It was learned a few days ago that  
the Leath-Wells Interests had about  
perfect arrangements looking to the  
purchase of a site upon which to build  
a modern playhouse, but to-day Man-  
ager Shield stated that it had been  
decided to abandon this because of the  
excessive cost of the site desired, for  
this would have been about \$30,000,  
without considering the cost of build-  
ing and equipping.  
Manager Shield stated that the lease  
for the Academy of Music had been at  
a rate of \$3,000 a year since it has  
been occupied, and the holders of the  
lease do not think it would justify  
them to stand for a raise to \$5,000,  
hence their determination to eliminate  
the city from the Leath-Wells circuit.  
It has been known here for some  
months to a few persons that all con-  
tracts for the future, which have been  
made for the local playhouse, have been  
made so that they can be played in  
Lynchburg or moved to other cities,  
at the option of the Leath-Wells people.

## TO WORK HARD FOR EXTENSION

Eastern Carolina Points Want  
Mattamooke Railroad Ex-  
tended to Washington.

[Special to The Times-Dispatch.]  
WASHINGTON, N. C., October 4.—  
A large delegation of prominent citi-  
zens of Washington, Bath, Hunter's  
Bridge, Belhaven and other points on  
the east side of Pamlico River met at  
12 o'clock this morning for the purpose  
of considering the proposition of the  
Governor and the Council of State re-  
garding the proposed extension of the  
Mattamooke Railroad from Belhaven  
to this city. The meeting was largely  
attended and much enthusiasm was  
shown. Maps of the proposed route  
were exhibited and the entire course  
of the road gone over by Captain  
George J. Suddert. He suggested  
that the citizens of Washington se-  
cure the right of way from this city  
to Bath, and that the citizens of Bath  
secure the right of way to Belhaven.  
S. C. Bragaw read and explained the  
resolution passed by the Council  
State requiring citizens along the pro-  
posed route to secure rights of way.  
Short talks were made by delegates,  
after which various committees were  
appointed to work in connection with  
the Chamber of Commerce of this city  
to secure rights of way for the new  
road.  
Washington citizens are determined  
to exert every effort toward securing  
the extension of the road to this city,  
as it means much to her commercial  
and industrial interests.

## PROMINENT MEN KILL EACH OTHER

Terrible Tragedy Enacted in Mc-

[Special to The Times-Dispatch.]  
BLUEFIELD, W. VA., October 4.—A  
terrible crime was enacted at Susanna,

The trouble was disagreement of the  
wives of the Beavers and Lowe fami-  
lies, they being next door neighbors.  
A quarrel, on several occasions finally  
brought the men into the fray. Both  
men fired their guns at almost the  
same time. Beavers was shot through  
the heart. Lowe was shot in the  
left breast, the bullet ranging up-  
ward. There is no hope of Lowe's re-  
covery. Owing to the prominence of  
both families details are being kept  
under cover.
